

# **6<sup>th</sup> International Achieving Improved Outcomes in Neonatology & Academic Paediatrics Association Joint Conference**

**Date: 13<sup>th</sup>-15<sup>th</sup> March, 2019**

**Venue: Hilton Hotel, Cardiff**

**Save the Date and Call for Abstracts!**

Abstracts are invited for posters and oral presentations related to the theme of improving current practice. Abstracts are welcome in the following categories:

1. Clinical research (ongoing or completed)
2. Clinical practice updates
3. Innovations in Clinical Practice

Abstracts will be blinded and peer reviewed by the members of the Conference Planning Committee. Abstracts will be selected on the basis of academic integrity, overall quality, originality and relevance for clinical practice.

## **ABSTRACT GUIDELINES:**

All abstract submissions should be submitted by: Friday, February 7th, 2019.

Please adhere to the submission criteria set out below when submitting your abstract and send by email to the Conference Secretariat: [sinead@sineadcassidy.com](mailto:sinead@sineadcassidy.com)

Main body of Abstract content should be limited to 250 words (excluding titles and authors). Abstract should be carefully structured using the following headings:

Abstract Title

Abstract Authors to include institutions and first name of presenting author.

Aim

Methods

Data/Results

Discussion

Abstract should fit on a single A4 Word Document Sheet and be in Word format (No Tables or Graphs). All contact details should be included on covering email.

If you have any difficulties or queries about the abstract format, please contact the Conference Secretariat by email on [sinead@sineadcassidy.com](mailto:sinead@sineadcassidy.com)

*Please note that all submissions will receive an acknowledgement email so if you don't receive an acknowledgement email, please do not assume that your abstract has been submitted.*

***Detailed programme including international speakers to follow.***
